

VOLUME BOOK OFFERS FROM MINETTE NORMAN

I am excited to share with you my new book, *The Boldly Inclusive Leader: Transform Your Workplace (and the World) by Valuing the Differences Within*.

To create cultures where diverse teams flourish, we need boldly inclusive leaders. It's time to leave behind the ideal of tough-minded, hard-driving leadership. *The Boldly Inclusive Leader* shows how being a compassionate leader who embraces diversity in all its forms will powerfully transform the workplace and the world. Being an inclusive leader takes commitment and practice, but the rewards are enormous.

In celebration of my book launch, I've created these volume purchase opportunities, ranging from micro-volume purchases for individuals and book clubs to larger-volume purchases for businesses, non-profit associations, universities, or organizations that might benefit from my book's powerful message.
